"Advance" names in draw by 1/2/3 rounds when < 17/9/5 "competitive units". BYEs ["automatic" for WWd]: distribute (PowerOT woDrawSize[32/16/8] - #ofPlayers) WWs byes following above "seeding #s", starting with #1 on down.

RANDOMLY distribute (with assistance of others & die/NumberedCardsOrPaper/etc.) remaining HALF=unseeded players. [Since this sheet is used for rankings AND is posted (in glass case), please PRINT legibly! (& include scores!)] . MATCH SCHEDULING: since advantage to play earlier, a Top-4 "playing" Tournament Director [ONE person (freely using good JUDGEMENT, &) ULTIMATELY responsible...] MUST play "LAST"! "Top-down"/reversed keeps things SIMPLE! "Non-bye" matches play ASAP; "DIPLOMATICALLY" [avoid/minimize "playing 2nd match" b4 "waiting for 1st"] alternate(?) matches to reduce "rest[room] court time", complaints, & end time; small red #s to order [initial] matches

5. REMIND: 0:03 warm-up; [NoAd+"avoid Deuce if nervous playing NoAd"]; match WINNER report/record scores. Although DEFAULTS discouraged, tournaments do NOT WAIT for players; "Schedule" to left is an ESTIMATEd guide!

6. OPEN COURTS: do NOT waste crt time! Morning's WW-plyrs may bk crts AFTER 1/2pm(WW over), and MUST cheerfully allow non-WW to bk any free (NOT needed for tourn. completion) crts; preferred release order of 5,4,3,1. SHARE!!

7. ONLINE POSTING OF RESULTS: please get this DrawSheet (or a scanned/photo copy) to whomever is responsible for maintaining online results/rankings/etc. [WeeWeekly@StGeorgeTennis.ca(??)] by Monday (2 days after Sat's WW). 8. More information/details/explanations/rationale/etc. for these [hopefully] OPTIMALLY EFFICIENT instructions/rules can be found at StGeorgeTennis.ca [Details/updates HERE supersede online/"2.5"]
